RE: Trash Pick-Up

This is to notify Dallas City residents that LRS will no longer be providing trash pick-up service in Dallas City after January 2026. Beginning February 1, 2026, trash pick-up service for Dallas City residents will be provided by B&K Waste Solutions. Trash will be picked up on **FRIDAYS**, instead of Wednesdays. Therefore, the first day trash will be picked up in February will be February 6.

You need to have your trash sitting out curbside by 5:30 a.m. There will be a limit of four (4) 30 gallon cans or eight (8) bags per week. B&K will also have totes for rent for \$2 per month. If you currently have a tote that you are renting from LRS, it is unknown whether or not they will be picking them up or not. You will need to contact LRS to find out.

You will also still be allowed one (1) large item per month, excluding mattresses and box springs. Mattresses and box springs can still be picked up, but there will be a \$60 fee per each item. In order to have a mattress and/or box springs picked up, you will need to purchase a sticker for each item at the City Clerk's office at 261 Oak Street (Vorhies Insurance). You will then place the sticker on the mattress or box spring, and B&K will then pick it up.

Items that qualify as a large item that will be picked up include couches, desks, table and chairs, dressers, grills with no propane tanks, and push mowers with empty gas tanks. Items that **WILL NOT** be picked up are tires, televisions, appliances, batteries, paint cans (unless open and dry), chemicals, oil, concrete, construction/demolition materials, and yard waste.

Also, there will no longer be a recycling bin. B&K is working on trying to find someone to provide a recycling service to Dallas City.

If you are receiving this letter but your property is a rental property, please inform your tenants about this change in trash service.

If you need to contact B&K Waste Solutions because your trash was not picked up, you need to rent a toter, etc., their phone number is 309-507-2696. Please remember that B&K doesn't start picking up in Dallas City until February 6, so if you have a problem with your trash not being picked up in January, you will still need to contact LRS at 309-586-4410.

If you have any questions, please call me.

Steve Vorhies, City Clerk
City of Dallas City
